Hi All,

Happy New Year! We trust you are looking forward to what 2025 has to offer, especially our 31st Lions Ride for Sight. It is barely 120 days away.

2025
Happy New Year

Registration forms are available using the links below. We are very pleased to report registrations have started rolling in. Thank you to those who have registered. For those planning to participate please note we will need to have your registrations in by the end of February so that Ride jerseys can be ordered in time for our Ride. As previously mentioned, rider numbers will be capped at 60, so please have your registrations in as soon as you can to avoid missing out.

We are in the process of applying for the necessary event permits from Councils, VicRoads and Victorian Police. Committee member Rod will be attending to this task.

Thanks to Committee member Tara, our Raisely sponsorship portal [Raisely 2025](#) is up and running. Those who have registered can go full bore with your fundraising efforts. Note, donations over \$2 are tax deductible. Our 2025 Ride fundraising target is \$90,000 – a challenging amount but with strong support from riders and commercial sponsors we believe it is achievable.

Regards,

The 2025 Ride for Sight Organising Committee
