Ride for Sight MD Convention April 2025 Newsletter

After a year of planning, organising and seeking commercial sponsorships, 42 riders with a 11 member support crew will be embarking on our four day 280km 31st District 201V3 Ride for Sight on Friday 2 May 2025.

Our annual Ride was, and still is, promoted and run, as a social fundraising event (not a race) generally on quite sealed rural or local back roads. It is open to Lions and the community to join us to raise funds for eye research into preventable blindness. Funds raised from riders, Lions Clubs and commercial sponsors are donated to the Centre for Eye Research Australia ([CERA](#)). The Ride has raised and donated over \$1.1million since its inception in 1994.

We have set ourselves a challenging \$90,000 fundraising target this year. We welcome further sponsorships or contributions to assist us to achieve our target or better still to exceed it. Use our Ride for Sight donation QR code to make your donation:

Although we will be away riding over the duration of our MD Convention, we will be visiting our expo display site at around 3pm for a short period on Friday. Our site will be in front of the large screen at the Gippsland Performing Arts Centre [GPAC](#).

We will meet again when our ride finishes at the Gippsland Regional Indoor Sports Stadium [GRISS](#) on Monday 5 May 2025, the last day of our Convention.

We are being 'Knights for the Blind'.
