Newsletter No. 1 – September 2025

A very successful Ride For Sight was held this year, as a result of which over \$120 thousand was raised. These funds will assist the Centre for Eye Research Australia (CERA) carry out research into preventing eye disease. The planning stage for next year's ride has begun. A committee has been formed, the members being:

Rod McGregor, Chairman and Ride Director
Karl Henderson, Secretary
Ian Davey, Treasurer
Ian de Bruyne
Pauline McGregor
Andrea Keppel
Pat Williams
Tara Daws Quadros
Sharon Oates

All members have provided their services previously on numerous occasions. It would be great if we could have some new blood to assist with the many tasks that need to be carried out. So please advise us if you, or someone you know, would be prepared to lend a helping hand by joining the Committee. Our first Committee meeting has been held, at which the dates for the 2026 RFS four day ride were set, these being:

- o Thursday 26th March through to Sunday 29th March inclusive, with a pre ride dinner to be held on the Wednesday evening.

Please Note: These dates include the weekend prior to Easter/commencement of the Term 1 school holidays. At this stage the ride route has not been set but is in the planning stage.

Ride participant numbers will be capped in the mid 50's as usual. Once again, we will have a 'Ride with a Difference' for those who are unavailable for the four day ride'. Registration forms for our 'Four Day Ride,' 'Ride with a Difference' and for support crew members will be available around mid-November.

We're looking forward to seeing old and, hopefully, some new faces on next year's ride.

Rod McGregor
Chairman/Ride Director
