Newsletter No. 2 – October 2025

The Committee continues to plan for next year's ride. It has been necessary to change the timing of the ride by bringing it forward a week. So please note the following new dates:

- Thursday 19th March 2026 through to Sunday 22th March inclusive,
- with a pre ride dinner to be held on the Wednesday evening.

This change has been made in order to ensure the availability of sufficient Lions clubs to host the event.

A route has been established and has been given a title, "Strzelecki Spin". It is generally as follows:

- Pre ride dinner at Longwarry on Wednesday 18 March, 2026
- Day 1 ride: Longwarry to Yinnar
- Day 2 ride: Yinnar to Inverloch
- Day 3 ride: Inverloch to Nyora
- Day 4 ride: Nyora to Longwarry.

Please note that the route as described above will be subject to on going fine tuning.

For anyone needing to travel to the by train, Longwarry is served by V/Line.

Our web site will shortly be updated with all the relevant details.

Ride participant numbers will be capped in the mid 50's as usual. Once again, we will have a 'Ride with a Difference' for those who are unavailable for the four day ride'. Registration forms for our 'Four Day Ride,' 'Ride with a Difference' and for support crew members will be available around mid-November. We are keen to have more riders. If you know of others who may be interested in joining in next year, please don't hesitate provide their contact details and they will be sent the registration forms.

With spring weather upon us now is a good time to start training for next year.
